

WANT MORE? WATCH THIS!

The AVI Play app unlocks exclusive bonus content, videos and other promotions in this magazine on your smart phone.

1

Download AVI Play available for iPhones, iPads and high powered Android devices

2

Point your device at the trigger image

3

Watch the image come to life as video content

4

Double tap to view full screen, or single tap to find out more

The AVI Play App brings augmented reality to Babco Publications by unlocking exclusive content, videos and other promotions on your smart phones.

Download the AVI Play app and look for the AVI Play App icon. AVI Play uses image recognition to interact with and enhance content in the magazines with video, 3D objects and the internet.

AVI Play currently works on the iPhone 4, iPhone 4S, iPad 2, iPad3 and more powerful Android devices.

AVIPLAY download it today: www.auto-video.com/play
